FATHER'S DAY

Welcome our Guest Speaker Jennifer Waller from the Freedom House

Freedom House is a women's faith-based 2 recovery residence located in Soldotna, Alaska.

The majority of women accepted into Freedom House will be coming from prisons and rehab facilities. These women are in need of a safe place to live to stay sober and to become a productive member of society. The requirements of Freedom House will provide these women with the life-skills they need to move forward with a clean and sober life while expecting them to pursue a relationship with the One who came that they "may have life, and have it in abundance" (John 10:10).

The building we purchased is 185 Shady Lane. The owner, Sherylnn Erickson and First National Bank have been beyond helpful to get our monthly payment "affordable" for a new ministry. It is older and has been sitting empty for several years and is in need of a lot of renovation.
