

# 4-step Study

## What does it say?

Read it over many times, rewrite it in your own words, write any questions you have

## What does it mean?

Dictionary definitions, helpful commentary information

## What does it mean to me?

How should this affect my life or thinking? Does it tell me something to do, something to avoid or example to follow?

## What am I going to do about it?

Be specific about where you are going to use this knowledge. Pray back your thoughts to God and trust Him with it.
